CUPE To Defend Hospital Worker

An employee of the Sturgeon General Hospital, Maurice Meunier, who worked in the housekeeping department was dismissed Friday and according to information received the dismissal was because Mr. Meunier refused to get a

haircut in accordance with terms of employment.

Administrator of the Sturgeon General Hospital, Cliff Keyes told the Gazette that Mr. Meunier was dismissed "for several reasons" but refused to elaborate. In an interview Tuesday afternoon

with F. H. Pyke, representative of the Canadian Union of Public Employees, he told this newspaper that Mr. Meunier was dismissed but no valid reason has been given by Mrs. K. Butler who is in charge of Sturgeon General Hospital Housekeeping Department.

In view of the posture taken by the hospital administrative staff in this issue, the dismissal was officially protested through CUPE grievance procedure and filed with Mrs. Butler. The union official said that this grievance must bring about written reasons for the dismissal from Mrs. K. Butler within seven days. "If this procedure fails," Mr. Pyke said, "the next step is to file the grievance with the hospital administrator, who also has seven days to produce written cause." Failing that, the union representative said the case will automatically go to an arbitration board where there already are three cases involving the Sturgeon Hospital administration and staff disputes.

During a telephone conversation with Mr. Meunier Tuesday afternoon, he re-

For a new experience don't miss Spellbound

Work began last February on a new kind of endeavour for Father Duchesneau and his Pitch and Spice choirs - a modern opera. The 226 young people have been hard at it ever since. Much time was devoted to selection of the music - the singers had the choice and there was not always agreement, but the

director let the decisions be theirs.

The script was next and the students decided on a story that would point up the difficulties, problems and the joys of being alive that a modern young boy might encounter as he grows and finally individual practice, rehearsals, changes and corrections as they wor-

ked to get the best possible production of their medley opera "Spell-Bound".

Songs and music are taken from modern works, rock operas and some famous films.

Advance tickets are on sale at a saving at Sweetheart Jewelry, the Bank of Montreal and the Roman Catholic Church.

Part of the Pitch chorus which will perform the medley opera Spell-Bound to be performed at the Roman Catholic Church at 8 p.m. Friday, April 13.

Carnival shapes up as best ever

Around the World in Eighty Minutes will be a trip worth taking for local residents at the skating carnival being held Friday and Saturday evenings starting at 7:30 p.m.

For the first time the Figure Skating Club has rented lighting, which will add greatly to the performance, and members of the Power Skating Club have volunteered to work the lighting equipment.

The trip around the world will include visits to the U.S.A., Hawaii, Siam, Russia, Vienna, England, Mexico and a number of European countries. Working with this theme the set designers, costume makers and club pros had a large and colorful scope to use their imagination, and local residents are in for a real carnival treat.

The professionals, Marilyn Godfrey and Crystal will open the revue to a musical background of songs on the carnival theme, St. Albert's champion Debra Lynn Paul will perform twice on Friday and once Saturday evening, and Gary Beacon of the Glenora Club will also solo each night.

Added attractions will feature a display of power skating by local performers plus three demonstrations of dancing on ice.

Members of the Toastmistresses Club will do the script and commentary as they did last year, and Marie Duttall is again in charge of props. A preview glimpse of the costumes indicates a terrific job by Arlene Tate and the mothers who planned and made them.

The club is noted for its fine sets and again this year

volunteers have come up with some original ideas and fine workmanship. The Breakfast Lions are helping with advance ticket sales and the Lions Band will also contribute to the color and entertainment of the carnival. It would be a good idea to pick up some of those advance tickets from a L'Incor Hutchings Shoe Store.

Karen Beeby and Kevin Mallnowski will add to the enjoyment of a stopover in Switzerland at the Carnival being presented by the Figure Skating Club this weekend.

G. Soetaert A/ Supt. No.3

GEORGE SOETAERT

A member of the St. Albert Public School District staff for the past 10 years, Mr. George Soetaert was appointed assistant school superintendent at a board meeting last Wednesday.

Mr. Soetaert served the St. Albert No. 3 System as a teacher, a counsellor, reading and guiding consultant and more recently as supervisor of instruction, for a total of 10 years. In view of his performance in the above defined fields of education, the No. 3 Board did not hesitate in appointing Mr. Soetaert as assistant to the present superintendent of schools Vince Maloney.

Mr. Soetaert's duties have been defined by the board as follows: To aid and assist Superintendent Maloney in administrative and educational aspects of St. Albert's

Public School System.

The newly-appointed assistant superintendent was born and raised in the Villeneuve area and has been a resident of St. Albert for eight years. Mr. Soetaert received his undergraduate and graduate training, spe-

cializing in elementary education and educational psychology at the University of Alberta, Edmonton.

George and wife Joan are the proud parents of two boys, Lyle & Shayne & he has been an active hockey coach for many years and is an avid football player.

129 Housing Starts Reported In March

There were 129 single family dwelling starts in March, according to Mr. J. D. (Jim) Robert, building inspector's report. Besides this near-record number of housing starts, permits were also issued for two carports, two garages and improvements to six premises.

In terms of dollars, building activities during March amounted to a total of \$1,872,419 thus making the grand total for this year to date (three months) at \$4,663,531.

To date Mr. Robert's report shows that 266 single family starts have been made, 25 condominium units 20 improvements, two garages, two carports, one industrial and three commercial projects.

At the time Mr. Robert's report was issued, the serviced lot inventory in St. Albert is as follows: Forest Lawn 178; Lacombe Park 15; Braeside 4; Mission

Park 152 and Grandin Park 160.

Unserviced lots and not registered yet are presently located in Lacombe Park

Phew!

Members of the St. Albert Fire Department are fortunate that their "Sniff the Air" project undertaken for Stanley Engineering Associates last spring has been completed. The firm was gathering information for the Department of the Environment. Sniffing the air is something a lot of people would like to avoid if they possibly could, especially those in the proximity of the river, since the lagoon were released, the flushing out process is allowed once a year. At times over the past week such as Friday evening, the stench would almost knock you over near the Perron street bridge.

Last Friday was 'moving day' for the junior high students of Sir Alexander Mackenzie. Above is shown one of the many classes carrying personal books and 'stuff' from SAM to the newly-designated Lorne Akins Junior High. It took most of Friday for students to get their books over to Lorne Akins while during the weekend, the major pieces of equipment were moved into place, ready for classes Monday.

CUPE Defends Hospital Worker

Continued from Page 1

refused to discuss the matter of his dismissal with the Gazette, however, Mr. Meunier did hint that he "might get his job back" but did not want to elaborate.

Regarding Friday's work stoppage by eight employees in the hospital's housekeeping department, Mr. Keyes said and Mr. Pyke concurred that this 'stop work' exercise was indeed illegal and all eight employees who protested the dismissal of Mr. Meunier were liable for dismissal themselves. All eight

returned to work after about two hours when the hospital administrator asked them to return to their duties once he had pointed out the illegal aspect of the work stoppage and its possible repercussions.

During Friday's interview with Sturgeon Hospital Administrator Cliff Keyes, the question of a possible nurse strike was discussed. Mr. Keyes said his staff negotiations were in the hands of the Alberta Hospital Association and no definite report has been issued

yet but admitted that Alberta nurses were seeking an increase in salary of approximately 30 per cent and the Sturgeon General Hospital nursing wage contract has expired March 31.

When asked whether he expected a nursing strike at the Sturgeon General Hospital negotiations fail, Mr. Keyes admitted that a strike vote had been taken recently and all 41 full time nurses and 22 part time nurses voted in favor of strike action. This does not include eight nursing co-ordinators who pledged to defy strike action "if a wage settlement is not reached."

In anticipation of a nursing strike, Mr. Keyes last Wednesday, while accepting a donation from the St. Albert Welcome Wagon Newcomer's Club who presented a \$450 cheque for the pediatric ward of the hospital told the club members that a nursing strike vote had indicated that the Sturgeon General Hospital nursing staff would walk out if wage negotiations failed.

Mr. Keyes explained to the ladies of the Newcomer's Club that eight nursing co-ordinators had voted against strike action "but we can't run a hospital with only eight nurses."

It was at this point when he asked the ladies present to please volunteer if any of them were registered nurses because he explained that if indeed the strike does take place "we're going to need a lot of help."

Hospital Tightens No Smoking Rules

Paul Bouchard, fire marshal at the Sturgeon General Hospital announced this week that more stringent fire regulations were enforced following a fire and safety committee meeting held recently.

"The committee just had to get together and issue new rules regarding fire safety," Mr. Bouchard said "because recently the Sturgeon General Hospital has had a fire which could have developed into a major tragedy and since then many hundreds of dollars in fire damaged bedding and patient

clothing brought about the need for tougher regulations."

Effective immediately, smoking in patient's rooms is prohibited. Patients and visitors who want to smoke must retire to the solarium. Hospital staff also expressed concern with patients receiving oxygen treatments. These patients are of course not allowed to smoke or are they allowed to have cigarettes, matches or the such in their room... and visitors are warned not to break this regulation.

Mr. Bouchard told The Gazette that in recent months, so many bed sheets, pairs of pyjamas and hospital robes have been damaged by cigarette burns that hospital safety staff simply had to tighten up regulations before a real tragedy occurs.

No smoking signs have been posted throughout the hospital and everybody who is a patient, visiting a patient or in the hospital on business is asked to please observe the no-smoking rule.

Local Realtors Accept

More and more adults appear to be taking to the road on bicycles. It was learned today by the Lions Bike-a-thon Committee that Janet Williams from Weber Bros. Realty has challenged the other Realty companies. Shirley Taylor of Belmont was quick to take up the challenge, Meltons and Buxtons have yet to name their representatives. Father Colin Levanigie is riding on behalf of the Ministerial Association. We expect he will be well sponsored -- after all, he should have the inside track for this trip to heaven.

ing of the Sturgeon General Hospital CUPE Local 1335 the wage settlement tabled was rejected unanimously by the union members. According to union officials here in St. Albert, "there was nothing in the wage settlement package for us."

It is not known whether negotiations will go back to the Provincial Bargaining Unit or not, that will be decided after returns from all hospitals in Alberta have been assessed.

PUBLIC NOTICE

Residents of the Town of St. Albert are hereby advised that Bylaw No. 35/87 in regard to regulations on keeping dogs within the Town of St. Albert has been amended by Bylaw No. 17/73. This amendment provides that any person who is the owner or harbinger of any dog which is allowed to run at large contrary to the provisions of the bylaw may be issued a ticket requiring him to pay to the Secretary-Treasurer of the Town the sum of \$15.00 for a licensed dog and \$25.00 for an unlicensed dog. The payment of \$25.00 is to include the cost of the license.

This notice is a warning not to permit dogs to run at large and the increase in fine from \$10.00 is made to facilitate more dog control.

Learning Difficulty To Be Aired Jointly

There will be an opportunity for those concerned and confused parents of children with learning difficulties to find out what facilities are presently available in their school systems.

The next regular public meeting of the Sturgeon-St. Albert Ass'n. for Children with Learning Disabilities will feature the chairmen of the four local school districts: C. Schroeder of St. Albert School Div. #6, E. Howrish of St. Albert School Div. #3, A. Kryskow of Thibault School Div. #35, J. McDonnell of Sturgeon School Div. #24.

If you have unanswered questions concerning your child's lack of academic progress these people have kindly agreed to try to deal with any inquiries.

It is of utmost importance that any decisions concerning placement of your child in facilities other than a regular classroom environment be made now.

Input from concerned parents and professionals to your school boards can be beneficial in developing broader policies in the area of special education.

Open discussion is essential to finding solutions to the dilemma facing the students, parents, and teachers. The welfare of ALL children is a community problem. This meeting will provide an excellent opportunity for communication between people who are in-

terested and involved with children having learning difficulties.

The meeting is to be held Monday, April 16, at 7:30 p.m. in the Music Room of the Leo Nickerson Elementary School.

Everyone is welcome to attend.

Condominium Project To Open

A new design concept in housing will be officially opened in St. Albert this weekend.

St. Albert Mayor Ray Gibbon will cut the ribbon and officially open a condominium project in St. Albert at 1 p.m. on Saturday April 14. The mayor, CMHC officials and Integrated Building President Peter Oluk are expected to make brief comments.

The project, the first of its kind in Canada, differs from other condominium projects because there are

no common walls between the housing units; only carports share a common wall.

The Greenfields Estates project in the Grandin Park district of St. Albert makes maximum use of available land yet achieves privacy for the homeowner. The traditional unused side yard has been eliminated resulting in a better use of land and a saving to the young couples out hunting for their first home.

Nurse Remembered

The Editor:
This week a copy of your paper, dated March 14, 1973 was passed on to me and it was with great interest that I read "Do You Remember When?" This copy has been sent on to Mrs. Edgewood, who just this past weekend moved to Leduc.

At the time of the accident Mrs. Jamieson was not nursing but working in her husband's insurance office. This was on Jasper Avenue between 123 and 122 Street. I have never, in the past 12 years, been able to pass that building without thinking about her. Wondering where she was and how she was doing.

We may not have been able to show her just how grateful we were to her, a bouquet of flowers were sent to her from the family, but many prayers were said in thanksgiving that it was Mrs. Jamieson who was the one who found Lillianne and many were said for her as well. She will always be remembered, not only by Lill and Fred, but by all the Nault family for as many years as any of us are around.

Thank you for remembering her and reminding other people. We hope that Mrs. Jamieson will always find what ever she wants in life, be happy and people will always be kind to her.

(Mrs.) Elaine Nault.

Bus shedule & fares

The Editor:

I have "studied" the subject schedule which appeared in the St. Albert and Sturgeon Gazette, Wednesday, April 4, 1973.

I, for one, am very concerned about the bus service to and from St. Albert since I am totally dependent on it to get to and from my office in Edmonton, which is located on 106 Street and 100 Avenue. My office hours are 8 a.m. to 4:45 p.m.

I am presently catching Trip No. 2 which leaves Grandin Shopping Centre at 7:03 a.m. and which barely gets me to work on time since I have several blocks to walk back from the Bus Depot. To take this bus, I leave my home at 6:45 a.m. to walk from Gresham Boulevard to the shopping centre. I haven't been able to figure out, or understand the new schedule; but from conversations I have overheard on the bus, gather I, among others, will have to leave home at least 15 minutes earlier each morning.

You must admit that this is a dreadful hour to be leaving for an office job, particularly during the winter months.

A couple of other concerns are, where do I catch the bus when the schedule changes? Surely I'm not going to have to walk farther. Will the new schedule be printed in the same format as the last - April 15, 1971 - showing the exact times to the minute?

No one minds paying for service; but with the fare going up to \$1 round trip per day, I should like to believe that travelling from St. Albert to Edmonton would be made much, much easier for the commuters. We have lived in St. Albert since 1964 and, it appears, that every time a new bus schedule is issued, instead of improvement - for the many hundreds more living in the town - it's more inconvenient and costly.

Also, it would certainly be convenient if, on at least one late shopping night, a bus was scheduled to St. Albert at 8 p.m.

In closing, it appears that the individuals involved in making up the schedules either do not live in the town or definitely do not travel by to their places of employment.

Puppet Show Monday

Everyone is welcome to come to the Public Library next Monday, April 16, at 4 p.m. when the Arts and Crafts Puppetry class will present a puppet show. For the past 10 Saturday mornings the students have been busily preparing for this production: choosing their skits, making the puppets, recording voices and music, making the props. Puppeteers Lisa Taylor, Bruce Grant, Gwen Grant, Barbara Kathol, Greg Wood, Dean Ott, Clifford Black, Chris Choldan, Debbie Lovett, Harold Roscher, Michael Upright, Kim Robinson, Terrance Rosadluk, Carol Genevoux and Karin Gance are looking forward to showing you the result of all their creative work. Admission is free.

A number of teen-agers (and post teens) from St. Albert were spotted at the Ambassador tavern in the city last Friday and Saturday to catch the Blackwells, a local rock group playing there. The St. Albert group, Peter Byl, Ray Leblanc, Ray Huberdeau, Daryl Tate, Hans Commandeur, Mike Bachon and Ron Nolewajek, manager, are getting lots of exposure in and around the city. Peter and Ray Huberdeau are the vocalists.

The 5th St. Albert Cubs and Scouts wish to thank everyone who helped to make their fertilizer drive a success. For those that were not at home on Saturday, April 7 the cubs and scouts will deliver any orders on Saturday, April 14. Orders may be placed by phoning 459-7573.

While on holiday in Hawaii Dick and June Leggett dropped in at Shores Restaurant on Walkiki Beach one day,

and were enjoying the piano stylings of Scott Kincaid. When he broke into a medley of Irish songs, it being that time of March, Dick began singing and right away Mr. Kincaid called him over. The crowd loved it over. Dick sang for more than half an hour, accompanied by Scott. Mr. Kincaid presented him with a record made by himself, so the Leggetts brought back a delightful bit of Hawaii with them. Other local residents vacationing there at the time were Gord and Bette Smithson, Lou and Jean Stanley, Larry and Doreen Heron and Yvon and Ann Borelaue.

It was Happy Birthday! Tuesday, April 10 at St. Albert's Royal Bank and John Grave and his staff celebrated their first anniversary with a giant cake, flowers galore, sandwiches and cake. Along with the hundreds of citizens who

dropped in to wish John and his staff "many happy returns." The Gazette wishes to join in and say congratulations and every success. Sorry we goofed on your advertisement last week, we sincerely hope our mistake did not cause you too great an inconvenience.

A unique hobby, a science project, and a theme for a language arts speech contest have all been integrated in the assemblage of a snowshoe rabbit skeleton by Michael Lemieux of 48 Broadview Crescent, a keen Grade 8 student at Father Jan Junior High School. The effort entailed in assembling and mounting the skeleton has extended over a period of about 50 hours of work. Michael's special interest in the skeletal structure of animals has led him to explore in some depth this aspect of science, and has given him the incentive to describe in a public speaking contest, what he has learned and accomplished. He is seen above explaining the various parts of the rabbit skeleton to his Language Arts teacher, Sister Geraldine Hagel.

PK Drama Club Doing Play For Children

'The Lion, the Witch and the Wardrobe,' a play for children from the classic C. S. Lewis story, will be presented in St. Albert this weekend by the Paul Kane High School Drama Club.

The story is about four children who find themselves able to walk through the wardrobe in their room into the strange land of Narnia. There it is always winter. The land is misruled by the wicked White Witch. The children assist the forces of Aslan, the courageous lion, to fulfil an old prophecy and, following a fierce battle, overthrow the Witch and bring good times to Narnia again.

This is the second production for the club this year. They put on a short children's Christmas play at Ridgewood Terrace and in Edmonton's Mayfair Club in December.

'The Lion, the Witch and the Wardrobe' will be performed at the Paul Kane Theatre arts room at 7 p.m. Friday evening, April 13 and 2 p.m. Saturday afternoon. Admission charges are 50¢ for children and \$1 for high school students and adults. Place - Paul Kane High School Theatre Arts Room.

The club is under the direction of Mrs. Lois Beatty and Mr. Dave Geddes.

Friday afternoon, March 16, was "Greaser Day" at SAM. Classrooms were filled with ponytailed, gum-cracking teenie-boppers, and greasy haired, tight-jeaned hardrocks. Teachers taught classes in short, tight jeans, ragged shirts, greased hair and dark glasses.

The afternoon ended with a sockhop in the gym. Five dollars was awarded to the greatest looking boy and five to the greatest girl. On Sunday, March 11, SAM students went on a ski trip to Silver Summit. The wea-

ther was great for skiing and conditions were good. Our bus slid into a ditch on the way back but a bulldozer came and quickly had us on our way. The trip ended happily, without any casualties.

Our girls basketball team and cheerleaders went to Barrhead on Saturday, March 17 for a basketball tournament. Although we didn't come in first, we had a good time participating. At 9:30 p.m., our bus pulled up at SAM to allow a group of tired but happy kids to scramble out.

Ralph Strand (left) and Mike Tomash are all set to look after their many customers in the well-equipped pro shop at the Sturgeon Valley Golf and Country Club.

Golf Course Opens All Fairways Dry

The Sturgeon Golf and Country Club officially opened last Saturday for the 1973 season. Club pro Mike Tomash and assistant pro Ralph Strand said the 6560 yard par 73 course is in excellent shape for this time of the year.

All greens are being used including the ones along the Sturgeon River which are usually flooded during the first part of the season. A huge dyke along the 8th fairway has prevented water spillage and the low lying area is in excellent shape.

The front nine is a beautiful par 36, some 3211 yards long and offers some easy and difficult pars. There is a water hazard on the second hole which interferes with

the 4th as well. The 9th tee has a lagoon in front which spoils many a good score.

The back nine is a par 37, 3349 yards long. It features the longest hole on the course, the 12th being a par 5 and 540 yards. To make it even more difficult the green is on a slope and requires some tricky putts if you are lucky enough to par it.

Each 9 has rest rooms and shelters.

The club has been open since 1962 and has progressed rapidly. Jim Graham is this year's president.

Some 200 or more persons have shares which sell for \$300 each with green fee dues \$97 for a single or \$122 for the family.

Associate memberships

are available at \$112 per person or \$147 for the family.

Juniors may golf for the season for \$25.00.

Regular golf fees are \$1.50 for 9 or \$2.25 for 18 except weekends when 18 holes will cost \$2.75. After 2 p.m. on weekends 9 holes will be \$1.75.

There is a well stocked clubhouse which features numerous items as well as new and used clubs.

Electric golf carts are available with clubs being rented also.

There is a snack bar for, pop, hamburgers etc. and the food is tops.

For further information call Mike Tomash or Ralph Strand at 799-6700.

Coach To Speak On Athletic Injuries

The St. Albert Lacrosse Club has planned a coaches clinic that will give local coaches an insight into a problem that confronts all people involved in sport. On Thursday, April 12 at 8 o'clock in the St. Vital Grandin School, Toronto Argonaut Trainer Mert Prophet will be in town for a training and equipment clinic sponsored by Cooper of Canada Ltd., the St. Albert Sportshop, and the Lacrosse Club.

Mert's topic for the evening is athletic injuries and ways to prevent them. Every coach dealing with youngsters has probably had nightmares about how to handle the situations that are bound to arise sooner or later. Mert will point out how they can be prevented and as the old saying goes "forewarned is forearmed."

Mr. Prophet's lecturing

career has brought him before many eminent audiences. He has spoken at the Indiana State Medical Association's Coaches and Physicians Conference on Athletic Injuries, the Second and Fifth Canadian Conference on the Medical Aspects of Sport, the Fifth Annual Post Graduate Refresher Course for General Surgeons of the University of Toronto.

St. Albert juveniles hockey club lost a 7-3 decision to Stony Plain Sunday in the opening game of the best of five finals.

Stony playing before a hometown crowd led all the way to take a one game lead. Date for the second game was not known at press time.

David Grice, Steve Hoffart and Roger Poullot scored for St. Albert.

St. Albert took out Westlock in the semi-finals to meet Stony.

Gerald Langevin and Scott Ballentine each had a hat trick over Westlock.

Chiefs Lose Series 2-1 To Westlock

St. Albert bantam Fire Chiefs bowed from their league playoffs in Westlock last Wednesday night, losing 6 - 1 as Westlock closed with a third-period rush.

Westlock had won the opening game of the best-of-three series 7 - 3 on home ice but St. Albert had forced a third game by winning the second 5 - 3 in St. Albert.

Fire Chiefs took a 1 - 0 lead in the deciding game, Lloyd Olson canning Terry Leddy's pass at the seven-minute mark of the first period.

The lead held up until the 16-minute mark of the second, when Ron Kelly put Westlock on the scoreboard.

Chiefs lack of ice-time began to show in the third period and Westlock began to come on. They got their break at the six-minute mark when Roddy Olsen got a stick in the mouth. With the resulting line change, Westlock right winger Mac Dusseault scored two goals in the next 40 seconds and Chiefs just didn't have the legs to come back.

Down 3 - 1, they made one last game try but when Westlock got another at the 13-minute mark, it was out of reach. Westlock scored again at 15:22 and 18:16 but they were just icing on the cake.

Dusseault's goals were the first by Westlock's top-scoring unit of Dusseault, Lorne Schmidt and Rod Adkins in two games. Chiefs had used their checking unit of Olsen, Rory Ryder and Doug Belley against them with great success, but the

ending came when Olsen got hurt.

Chiefs were full value for their win on home ice. After a scoreless first period, they took a 2 - 0 lead in the second.

Westlock tied the score with two early goals in the third, but Terry Leddy shot Chiefs into a 4 - 2 lead

with two great individual efforts. Ryder made it 5 - 2 before Westlock closed out the scoring with only 15 seconds left in the game.

Donald Tobin had put Chiefs on the board in the second period and Paul McCann got their other goal.

KINSMEN MINOR HOCKEY Playoffs

The Kinsmen minor hockey playoffs are in full swing with all divisions having played at least one game in their two game total goal playoffs.

In Midget "A" the Grizzlies pulled off a big upset as they eliminated first place Red Onion Rebels. Grizzlies took the opener 6 - 2 but lost the second 6 - 4. Grizzlies won the two game series 10 - 8.

Bermont Bronco's advanced to the finals against the Grizzlies when they took 3 - 1 and 2 - 1 wins over Macleod Hiawathas.

Pewee "A" saw Pro-Western Pellets shutout Lions 3 - 0 while Willowbrooks Saints dominated the Barons 5 - 2.

Legion scored a 4 - 3 win over Voyer Sheet Metal Va-

gabonds and Pacific Pates took Cox Pipers by the same score. Both games are in pee-wee "B".

Bantam "A" action saw Sawfney Seals take the Sabres 3 - 1 while North Stars shutout Canadians 3 - 0.

In "B" play Hutchings Salls blasted Chriss' Comets 8 - 1 and Canicks scored a 5 - 3 win over Community League Hawks.

Nuggets thrashed New Holland Combines 6 - 2 in mite "A" and Saints edged Hornets 3 - 1.

In mite "B", Klondike Inn Hustlers took the Dairy Queen Braziers out 3 - 3 and 3 - 1 to advance to the finals.

Medical Centre Monarchs also advanced to the finals in B play with 4 - 1 and 3 - 2 wins over Sir Arthurs.

Shaver "A" playoffs has the Wolves and Canucks meeting in the finals. Wolves took Cougars 5 - 1 and 8 - 2 while Canucks beat the Badgers 6 - 4 and lost 5 - 4.

Shaver "B" finals are with Panthers and Canucks. Panthers tied the Tigers 2 - 2 and then won 4 - 0. Canucks defeated Cubs 7 - 5 and 5 - 3.

Alberta Cycle Gets Clean Sweep

Despite the low temperature and a 30 mile per hour wind, the St. Albert Bruin

Inn CC's first race of the season was well supported, with 25 riders starting off

from Sir Arthur's at 2 p.m. Sunday.

In all categories, it was obvious who had been training and the riders were soon strung out into several small groups.

In the senior event, John Bryan of Georges Cycle and Marjan Kahina of Alberta Cycle were joined by Ed Heacock of Lynwood Cycle and these three soon had a commanding lead.

Kahina finished first in a time of 59'58" an indication of his superb conditioning. Heacock was second and John Bryan a close third.

In the junior event, Rudy Ongaro of Alberta Cycle was

never challenged and eventually finished first in 1 hr. 00' 07". Team-mate Paul Leung was five minutes behind in second place with Ted Battersworth of Lynwood Cycle third.

Pat Mealey of Alberta Cycle won the cadets event in 1 hr. 16' 19" with Ron Moore of St. Albert Bruins second and the schoolboy category was won by Shane Graham of Alberta Cycle in 1 hr. 16' 27".

Next week, St. Albert Bruin Inn riders are taking part in a two stage event starting from St. Albert Weigh Scale and run by Lynwood Cycle.

RECREATION HIGHLIGHTS

JOINT USE:

Most activities held in the schools will be cancelled during the Easter holidays so that the schools can be given their annual spring-cleaning.

FAMILY CAMPING:

The next meeting of the St. Albert 69'sers Camping Club will be held on Sunday, April 15 in the Clubhouse (beside the swimming pool).

Phone Mr. and Mrs. Brige at 459-8290 or Mr. and Mrs. Kay at 459-7488 for information about the club.

SOFTBALL:

Registrations for the girls (9 - 16) softball program are now being taken at the Recreation Department in the Town Hall and girls are asked to register as soon as possible so that the teams can be made up.

Coaches are urgently required for this program which is sponsored by the Hercules Sports Association. Mrs. Betty Anderson will be very pleased to hear from anyone willing to volunteer their services; phone her at 459-6124.

BASEBALL:

Boys (8 - 17) who missed the two registration days for baseball can register at the town hall.

ARTS & CRAFTS:

An advertisement in last week's Gazette outlined the program being offered by the St. Albert Arts and Crafts Guild in the spring session of classes which are scheduled to start in the week beginning April 30.

St. Albert Clergy Men Endorse Eye Bank Drive

All members of the St. Albert Ministerial Association heartily endorsed the Eye Bank Pledge Drive sponsored here by the Breakfast Lions Club. The clergymen met with chairman of the Lion Eye Bank Committee, Clifford Keyes, Sturgeon General Hospital Administrator, hospital staff and Mrs. Mona Acker, director of St. Albert's Preventive Social Services.

During the luncheon meeting held last Thursday in the Sturgeon Hospital Boardroom, St. Albert Ministerial Association President Fr. Jake Joly asked Mr. Keyes to specifically

explain all aspects of the Eye Bank Pledge Drive. Mr. Keyes acquainted all members present with the fact that the Eye Bank of Canada, Alberta Division was in crying need for eye donations. "In view of urgent demands for corneal transplants and eyes for research purposes, the eye bank stock is not only depleted," Mr. Keyes said, "but there's a waiting list for donors and that is why we are conducting this drive for pledges."

Mr. Keyes then explained that the project in St. Albert is being sponsored by the Breakfast Lions Club and a committee of three Lions has been named to see that the drive for pledges is carried out successfully. Besides himself, he announced that his committee was presently made up of Lions Fr. Joly and Ovi Baril. He concluded his introductory talk by saying that all of St. Albert will be covered, including the rural area in a massive appeal for pledges and that cards will be available from the hospital, medical centres and Sturgeon

Health Unit.

In view of the information disclosed by Mr. Keyes, all members of the Ministerial Association expressed their views on the topic of donating eyes for transplants and or research. Moral aspects, social as well as psychological were studied in depth. The round-the-table dialogue resulted in all members of the clergy endorsing the Eye Bank Pledge Drive.

The St. Albert Ministerial Association unanimously endorsed the Eye Bank Pledge Drive last week following a luncheon meeting held in the Sturgeon Hospital Boardroom. Standing left to right: Rev. Keith Agrey, Mona Acker, Rev. Ray Olson, Mrs. Joan Gates, Mrs. Pauline Fleck, Clifford Keyes and Rev. Neil Gordon. Seated and busy signing pledge cards are left to right: Rev. Len Musto, Fr. Jake Joly and Rev. John Barford.

S.A.M. Geography Fair Shows Alberta In Action

Students of Sir Alexander Mackenzie impressed teachers, parents and visitors last Friday with their displays depicting Alberta, its government, industries and peoples.

The Geography Fair assignments were issued months ago to teams of Grade 4 students, each team picking a favorite geography subject dealing with one phase or another of life in Alberta.

Last Friday exhibits were put on display in the open area of SAM school and this fair displayed very eloquently that our young scholars had done their homework. There were 21 segments of life in Alberta on display, from farming, recreation, industry to telecommunications and even the mysterious inner workings of a coal mine and a Hutterite Colony.

The many projects were successfully studied in depth and displayed by the following students:

Water Resources - Darren Graden, Brian Dolinsky, Andrew Moyses; Pollution - Scott Holliday, Terry MacLeod, Phillip Murray; Recreation - Gayleen Cowell, Maureen Fehr; Communications - Melissa Duchak, Jeff Cunningham, Julie Rosenhart; Hutterites - Pam MacLeod, Bobbi-Daron McLean, Susan Barkhouse, Shelly Keller, Rosemarie

Danylak; Fauna - John Edwards, Mike McCray, David Vanaabou, Danny McVicar, Greg Campbell; Geography - Kirk Nugent, Jerry Roper, Darren Wade; Flora - Ron-da Ulrich, Carolyn Russell; Jasper - Lorena Brulma, Julie Chase, Pam Fussell; Transportation - Gerard Balch, Randy Durst, Richard Schuler; Manufacturing - Pam Filipechuk, Linda Wilcock, Susan Iddings, Juanita Cameron, Carolyn McCrum; Farming - Julia Semmler, Judy Lien, Roxanne Jones; Grain - Scott Hagen, Scott Hancock, Bob Waugh; Oil - Donita Bakosh, Donna Clackson; Southern Alberta - Perry Balasch, Danny Forbes; Edmonton - Fiona Beland; Coal - Colin Bradbury, Darren Comoms; Edmonton Police - Daryl Harrington; Fort Edmonton - Mike Lindblad, Ray Chiles, Jeanne Shitsky; David Kons; Jasper - Laurie Wurtz, Liza Hoyt; Forestry John Loman, Darin Price, Darren Gillespie; Government - Shonna Flimrite, David Lock, Jimmy Sutherland.

Every team of students visited at least one subject site during the in-depth study of their assignments. The team given the 'Government' assignment for example, were driven to the Legislature by their teacher and spent at least one geography period watching the Alberta Legislators in

action. The same method of teaching was used in all other assignments, resulting in giving those Grade 4 pupils a better opportunity to know their province and its geography.

Students and teachers alike admitted that this method of learning involves a lot of hard work and takes a lot of free time to complete the assignments... but the exercise was well worth the effort.

Small boy placing his hands beside his friend's hands; "Hal Mine's dirtier'n yours!"

Friend: "Yah, but you're a year older'n me."

Babysitter shivering on the front porch as parents return. "I think your little boy's asleep. It's been awfully quiet in there since he locked me out!"

Mrs. Pat Gray, president of the St. Albert Welcome Wagon Newcomer's Club presented a \$450 cheque for the pediatric ward of the Sturgeon General Hospital last Wednesday evening. Mr. Cliff Keyes, hospital administrator, in accepting the generous gift announced that the money would be used to purchase croupettes for the hospital. Mrs. Gray told The Gazette that most of the \$450 was realized through the auction held March 7 in conjunction with the Welcome Wagon Newcomer's Club annual cheese party.

Gate Succeeds Ball Ave Reil Wins In Lakeview

St. Albert residents will have to get acquainted with the recent renaming of streets, avenues, drives and subdivisions in town.

Renaming was felt important by council in view of the town's system whereby street and avenue names bear the same first letter pertaining to its subdivision. In order to carry out this system and avoid confusion Ball Avenue, which is located in the Grandin Subdivision has been renamed Gate Avenue.

The former Lakeview Subdivision has been re-

named Riverside Industrial Park and within this subdivision Lakeview Drive is now called Riel Drive. In the same area, Laurel Crescent has been renamed Rayborn Avenue.

That portion of Edmonton Road from Highway 2 to the south boundary of the town will now be called Gervais Road. The remaining portion of Edmonton Road running along the south boundary of town to Sir Winston Churchill Avenue has been renamed Levasseur Road. New maps are available at Town Hall.

St. Albert Breakfast Lions Club Band, under the direction of R. E. Heuermann is putting the finishing touches to another practice in preparation for performances at the Figure Skating Ice Carnival Friday and Saturday, April 13 and 14. There will also be a free performance for St. Albert senior citizens Wednesday afternoon during the Ice Show's dress rehearsal.

St. Albert Supper Lions last week donated a 'Hoover Lift' to the Edmonton Paraplegic Association as part of the club's ongoing service program to assist organizations that aid the handicapped. Pierre Gariapy, executive director of the Alberta Division, Canadian Paraplegic Association, accepted the hydraulic lifting equipment and demonstrated the unit using his brother Roger Gariapy as the 'patient'. Looking on are Lions President Dick Ryley and project co-ordinator Bob Fraher.

Child Development Centre Studied At Joint Meeting

Three local school authorities, St. Albert's No. 3 Public, No. 6 Separate and the Sturgeon School Division discussed potential contracts with Dr. J. Sylvius' Child Development Centre to be established in St. Stephen's College premises on the U of A campus.

Purpose of the joint meeting, held in the Separate School Board chambers, was to hear a report from the No. 3 Board which has been negotiating with the Child Development Centre officials for several months. Negotiations, dealing with terms of a one-year renewable contract would ensure the No. 3 system of sustained professional services for children with learning difficulties.

Chairman of St. Albert's Public School Board, Mr. E. Hewish told the joint meeting that his board was prepared to sign a contract with the Child Development Centre and "wait and see for results." He pointed out that there were about 65 students in the No. 3 system who required specialized training and said that the Child Development Centre

appears to be the answer to No. 3's problem in this area.

Public School Superintendent V. Maloney spoke on the financial aspects of the Child Development Centre. He explained that Dr. Sylvius was just getting the Child Development Centre "off the ground," assembling a staff of experts and needed school contracts to finance the operation.

"I'm afraid that if the Child Development Centre fails to negotiate contracts with various school systems in the region," he said, "Dr. Sylvius will not be able to finance the centre and therefore her proposed facility will never become a reality."

Auxiliary has new service

The Ladies Auxiliary to the Sturgeon General Hospital has instituted a new service and the women are presently filling a need by driving a boy back and forth daily for hospital treatment, enabling him to be home for afternoons and evenings, which would otherwise be impossible.

At their meeting Monday night the Auxiliary voted the sum of \$1,280 to purchase four new cribs for the hospital nursery. There was also further discussion on the upcoming Spring Ball being held in the Club Mocombo May 5. Tickets are now on sale for this event - always a highlight of the spring social scene, and interested people may telephone Doreen Gao, 459-5443, Alice Schelbhofer - 459-7335 or Betty Wilkens 459-8939.

Separate School Board Chairman C. Schroeder informed the No. 3 spokesmen that his board was not prepared to consider a contract at this time but was not against referring students from the No. 6 system to the proposed centre. Mrs. Lois Hoie, trustee of the Sturgeon Divisional Board expressed her appreciation for the information received on Dr. Sylvius' proposed Child Development Centre but could not say more on the subject excepting that she would report to the Sturgeon Board at its next meeting.

Before the three boards went behind closed doors to discuss other topics of mutual concern, Superintendent Vince Maloney made one final attempt to recruit assistance from the other boards by saying that, we have felt the need in our schools for just such a service as being proposed by Dr. Sylvius and the Child Development Centre and if economic reasons prevent this facility from going ahead, I'm afraid we're going to have to wait a long time before such a proposal becomes available to us."

St. Albert Resident Named To Legal Aid Post

G. Pat Sommerville, lawyer with extensive experience in working with rehabilitative organizations, has been named the new director of the Alberta Legal Aid plan.

DON FRASER

The announcement of Mr. Sommerville as director and Donald G. Fraser of St. Albert, a former RCMP sergeant, as assistant director, was made recently by the Joint Legal Aid Plan Committee.

Both Mr. Sommerville and Mr. Fraser are located in the Edmonton office of the legal aid plan. The plan, financially supported by the provincial and federal governments, and by participating members of the Law Society of Alberta, provides legal aid to persons unable to afford a lawyer.

The plan has two major offices; one in Edmonton and

another in Calgary. In addition there are 10 judicial districts with local committees.

Mr. Sommerville, 41, has been with Western Land Services Co. Ltd. in Calgary for the past eight years, and has been president for three years. A native of Saskatoon, he gained his bachelor of law degree from the University of Saskatchewan in 1955.

A resident of St. Albert, Mr. Fraser, 41, the new assistant director, was a member of the RCMP for 22 years, his last posting being in Edmonton at the Municipal Courts Building. He retired from the force in 1971, and has since been employed as a special constable with the Alberta Society for the Prevention of Cruelty to Animals.

Mr. Fraser, his wife Gertrude and three sons Kent 16, Sheldon 13 and Mark 11 live at 22 Broadview Cres. He started in his new position March 15.

Bilingual Study Group Meets

The Bilingual Districts Advisory Board of Ottawa spent about an hour in St. Albert last week to discuss the feasibility of establishing this community into a bilingual district. The meeting was held in Town Hall.

The informal meeting, directed by Mrs. A. W. R. Carrothers, commissioner of the board whose home office is Calgary, acquainted St. Albert officials with the concept of bilingual districts. Being the western representative, Mrs. Carrothers introduced the other members of the board: Dr. Leopold Lamontagne of Ottawa; Fr. Albert Reginald of Sudbury; Adelaide Savole, Q.C. of Montreal, N.B. and R. Morency of the Calgary secretariat.

Present at the meeting were representatives from town council, both school systems, teaching staff, clergy and several interested citizens.

The work of the Bilingual Districts Advisory Board was defined as follows:

The "Act respecting the status of the official languages of Canada," which was assented to July 9, 1969 provides for the establishment of federal bilingual districts.

This "Official Languages Act" was adopted by Parliament as a result of the work of the Royal Commission on Bilingualism and Biculturalism. In Book 1 of its Final Report (November, 1967), the Commission proposed certain measures designed to ensure an equal status to the two languages.

One of its principal recommendations concerned the creation of bilingual districts. This proposed ineffect "that bilingual districts be established throughout Canada and that negotiations between the federal government and the provincial government concerned define the exact limits of each bilingual district." The intention was to set up special areas within which federal, provincial and local jurisdictions would define and establish an appropriate linguistic regime. These districts would be regions where the official language minority was sufficiently important, that is at least 10 percent (10%) of the regional population, to justify the kind of linguistic re-orientation which seemed desirable. In the words of the B. and B. Commission: "Our aim is to encourage an active cooperation among all governments in providing services to the regional minority in its own language." Obviously under the Canadian Constitution, with its division of powers between the federal and provincial governments, the

Bilingual Districts Advisory Board members met here last week for one hour to weigh the advisability of designating St. Albert as a bilingual district are: (left to right) R. Morency, A. Savole, Mrs. A. W. R. Carrothers, Fr. Albert Reginald and Dr. Leopold Lamontagne.

vinclal governments, the responsibility for implementing such linguistic regimes would have to rest with the different levels of government operating within their own spheres of jurisdiction.

It was pointed out that a bilingual district was only recommended by the board and such a recommendation only comes where there is sufficient demand for federal services in both official languages. This statement was bolstered down to mean that here in St. Albert only the two federal agencies ... would be affected.

Considerable discussion ensued when population figures were studied and it was revealed that a bilingual district could only be considered if 10% of the area in question had a minority population made up of residents whose mother tongue is French, St. Albert, according to the Bureau of Vital Statistics presently has a declining French population, reported now at 7%.

Mr. Savole however pointed out that boundaries were flexible and could be defined in relation to towns, municipalities, school districts, electoral districts (federal or provincial) either singly or combined in whatever way the concerned people choose to make it. Mrs. Carrothers informed The Gazette after the meeting that the Board's recommendations will only be made after the entire area has been studied. From here the commissioners went to Morinville and from there were scheduled for a meeting in Legal. Results of the Board's findings will probably be made public next year.

Local Churches Plan Hunger Dinner Sunday

Local representatives of the five Canadian churches who last month focused their concerns on world development with the "Ten days for World Development" program, will join in a "hunger dinner" at the Roman Catholic parish hall on Palm Sunday.

Clergy and congregation members from the Anglican, Lutheran, Presbyterian, Roman Catholic and United churches in St. Albert will attend the dinner and hear guest speaker Frank Dolph, CBC newsmen. Other entertainment will include slide presentations on development concerns the churches have in the "third world" countries.

Collection will go to Relief and Development agen-

cies of Canadian churches.

In their 10 day campaign March 9 - 19 a brief was presented by the five church committee to the Alberta government entitled "Development Demands Justice" which included four recommendations for action: matching assistance to Voluntary Agencies, a committee on a third world culture program, support for wine profits rebate from South Africa to help self projects there, and annual policy consultation on ramifications of provincial policies as they affect poor nations.

The conclusion of the bill stated -- "The Historian, Arnold Toynbee, once said that, 'Our generation is the first generation in the history of the world to know it

feasible to extend the benefits of 'civilization' to all of Mankind. John F. Kennedy added, 'We have the means, we have the capacity to wipe hunger and poverty from the face of the earth within our lifetime - we need only the will.' Our concern is that Toynbee spoke almost a generation ago -- and John Kennedy spoke about 'only the will' 10 years ago. Since then, the problems of world hunger, disease, illiteracy and injustice have grown more acute. International understanding and cooperation have not improved. It is now urgent that every man of good will -- and every government of good will at every level do whatever can be done to bring justice to this Global Village."

panists will be Father John Rose and Dr. Arthur Chrichton of St. Joseph's Cathedral, Edmonton.

The public is invited and there is no charge for admission.

Ecumenical Service For Palm Sunday

On Sunday, April 15 at 7:30 p.m., the Northeast Edmonton Clergy will sponsor a Palm Sunday Ecumenical Service at St. Matthews Church, at 82 Street and 132 Avenue.

The Northeast Edmonton Ecumenical Choir will sing, directed by Francis Schuchard of St. Albert and Helen Foote of Pilgrim United Church of Edmonton. A children's choir under the direction of Bill Shillabeer will sing and both choirs and congregation will join in several selections.

Among guest soloists will be June Borla and John Antle of St. Albert and accom-

panied by "The market is down 13 points," Client: "Thirteen? That's terrible!"

Broker: "Come now, this is no time to get superstitious!"

Something is wrong! - - environment worker

Only one person turned up for the Bee-In on pollution housewives last week in the Teen Centre.

It was co-sponsored by Cathy Hainsworth, environmental protection worker hired by the PSS Board under a local initiatives grant, and the Edmonton Anti-Pollution Group. The discussion arranged was to have been similar to the Feb. 21 bee-in which attracted 18 housewives.

"I don't know if this shows a lack of interest on the part of housewives in regards to pollution or what," said Cathy, "in stronger terms it may be described as apathy!"

"Something though, is definitely wrong," she said. "Pollution is one of the most vital issues facing us today

and it cannot be ignored. Children study the causes and effects of pollution constantly in school, work on projects dealing with pollution and above all, are becoming concerned enough about pollution to do something about it. Are adults to be left behind? Only by showing an interest in such programs or by following some means of pollution control can the problem even begin to be dealt with. If little or no interest is shown we have no one but ourselves to blame for the state of our environment."

Residents have any ques-

tions regarding pollution or housewives who feel another "Bee-In" would be worthwhile may contact Cathy Hainsworth at 459-8786.

Progress Club Eyeing S.A.

For New Club Site

The Canadian Progress Club of Edmonton hopes to form a new Progress Club to serve St. Albert, Western Canadian Governor, Dan Nadon said this week that the city of Edmonton already has three Progress Clubs in operation, one is being formed in the Sherwood Park area and another is slated for St. Albert.

In his announcement Mr. Nadon said that all interested men living in St. Albert are cordially invited to a free wine and cheese social and introductory meeting Wednesday, April 18 at 7:30 p.m. in the Bonaventure Hotel.

Mr. Nadon explained that the Canadian Progress Club is the only all-Canadian Service Club in action and one of its major projects is the funding, organizing and supervision of Uncles-At-Large.

St. Albert residents may phone Wally Semotluk and ardent member of the Canadian Progress Club of Edmonton who is interested in helping form a club in St. Albert and if enough interest is shown, he plans to transfer his membership to St. Albert. Wally's phone number is 459-3915.

St. Albert Supper Lions elected Jack Garrett, 121 Grosvenor Blvd., president for the 1973-74 term. He will take over the club reins on July 1. Shown with the incoming president is Lions District Governor Rock Holman.

Exhibit will feature Canadian book design

Spring traditionally brings color, pattern and design into our lives. And this year it's getting a boost from the St. Albert Public Library. Until April 13 the library will be honoring Canadian books in conjunction with a special exhibit at the library called "The Look of Books 1972."

This exhibit features the 28 best designed Canadian books for 1972. Good design was considered to be the appropriate and sufficient treatment of material, textual and illustrative, so that the purpose of the individual book would be achieved most effectively.

Consequently, the exhibit is a wide ranging one including everything from a hymn book to a children's picture

book. Special attention is directed to the type-face used for each book, illustrations, layout, and cover design.

Included in the exhibit is the book *Sculpture/Inuit* by Doris Shadbolt, a book of photographs of Eskimo sculpture. This particular book

was selected for the Canadian Book Publishers' Council award of excellence for the best designed Canadian book of the year.

The Look of Books exhibit is sponsored by the Canadian Book Publishers' Council and is on display at the St. Albert Library.

Take advantage of the handicapped.

If you hire people And want capable, productive committed employees, you should be hiring the handicapped worker

Firstly, the word 'handicapped' is misleading. When a worker is disabled he has many skills remaining that maximize his ability and are not affected by his disability

In that sense, he is not handicapped at all. He is an equal competitor at his skill. And he asks no favors

Most disabled people have developed new skills. They show incredibly high standards of productivity They appreciate their jobs And they are stable and reliable They have a little extra to prove All they ask for is the chance

A good businessman can spot a solid investment. Hiring the disabled is smart business. Our case histories prove this. Contact our Vocational Rehabilitation Department and see what we have to offer Then take advantage of it

Breakfast Lions Host Eye Bank Secretary

Head table guests at Tuesday's Lions Breakfast Club meeting included Mrs. M. A. Thirwell, secretary for the Eye Bank division of CNIB, Lion Bill Owen, field secretary for CNIB northern area, Lion Cliff Keyes, Sturgeon General Hospital administrator, Nurse Pauline Fleck, SGH director of nursing and Lion Zone chairman and member of the Supper Lions Club Ken Moore.

About 40 Lions including three brave Lady Lions who ventured out at that early hour to participate in the breakfast meeting, heard Mrs. Thirwell explain the function of the Eye Bank.

Mrs. Thirwell said that about 100 Albertans have had their eyesight restored in the last two years through the Alberta division of the Eye Bank of Canada program. She made it very clear that eye tissue cannot be bought or sold, it

A college professor, telling a freshman student in English that there was no excuse for his poor spelling, said: "You should consult a dictionary whenever you are in doubt."

must be donated, "and all services of eye banks are free," she explained.

In her informative address to the Lions and guests, Mrs. Thirwell covered other areas of the Eye Bank, data on eye tissue, pledges and other answers which emerge in the minds of people contemplating the eye-pledge issue. Mrs. Thirwell said that tissue can be taken from a person of any age and can be useful to a person of any age. "Even diseased eyes can be used for corneal transplant," she said, "as long as the cornea is healthy and intact."

Pledge cards should not be filed away Mrs. Thirwell said and she suggested that the best place to keep pledge cards where it can be readily reached is in a donor's wallet or purse. Mr. Thirwell, before concluding, assured her audience that the removal of the eye does not disfigure the corpse because funeral homes do excellent cosmetic work and are trained in this regard. "Nobody wants to die," Mrs. Thirwell said, "but

since one must, surely it can be comforting to know that later, a living person, through the priceless gift of one's eyes... may be able to see once again."

Lion Bill Owen, field secretary for CNIB in his brief address urged St. Albert Lions to consider sponsoring one of several CNIB projects. Lion Bill explained that the CNIB was in urgent need of "Brailers" which cost \$150 each, talking book machines complete with three cassettes at \$150 each and close-circuit TV readers priced at \$800.

"If the Breakfast Lions have a healthy bank account," Lion Bill Owen said, "then the three above mentioned projects might be too minor in nature for you, therefore, I would like to make an appeal for funds for a new CNIB Building and I can't think of a better place for it than in St. Albert."

Before closing, Lion Bill Owen explained that he has been sightless since 1965 and in his present capacity as field secretary for the northern region of Alberta, he and other members of

Mrs. M. A. Thirwell, secretary for the Eye Bank Division CNIB addressed the St. Albert Breakfast Lions Tuesday morning at the Club's regular meeting. the CNIB staff feel the need for larger quarters. He concluded by saying that whatever assistance CNIB receives from the Lions will be deeply appreciated.

Mrs. Pauline Fleck, director of nursing at the Sturgeon General Hospital was third in line to speak. She briefly explained that her staff will be given in-

structions relating to corneal pledges, negotiating with donors and next of kin.

Lion Cliff Keyes, hospital administrator and chairman of the local Eye Bank Drive explained to his colleagues that his committee was making progress toward obtaining pledges and spreading donor pledge card outlets throughout St. Albert. He

announced that his committee was receiving total cooperation from the Ministerial Association, doctors, Health Unit, Clinics and a great majority of the citizens. In closing Mr. Keyes announced that pledge cards will be made available through the hospital, both medical clinics and the Sturgeon Health Unit.

Litter Check Campaign

Cathy Hainsworth has been named municipal co-ordinator for Littercheck for St. Albert, and is one of nearly 100 in Alberta preparing for the campaign. Cathy is an environmental worker under the PSS program and is working out of Father Jan school. She has begun work on the Alberta Littercheck campaign which will go from April 30 to May 6.

It is being co-ordinated by Outdoors Unlimited, Alberta's official non-profit litter prevention organization, in co-operation with the Department of the Environment. It is a concentrated effort to not only

clean up St. Albert but the province as a whole.

As municipal co-ordinator for Littercheck for St. Albert, Cathy will act as a contact point for all participants. She will be kept up to date on what groups and organizations are planning and she will try to bring together groups planning similar projects for a joint effort. All groups should contact Cathy Hainsworth before undertaking a highway or riverbank cleanup, paper collection or a public education campaign etc. Cathy will also have available material and information for distribution within St. Albert.

Hopefully the Littercheck program will help to make Albertans more aware of the need for care and consideration when using the outdoors, whether it is their own backyard, campsites or wilderness areas. By having all citizens of St. Albert participate in this campaign much can be done to realize this goal. For further information and assistance please contact Cathy Hainsworth at 459-8786 between the hours of 8:30 a.m. and 4:30 p.m.

Island going from Gate

The town received word yesterday that the centre safety island on Gate Avenue (formerly Ball Avenue) will be taken out by the Department of Highways, and that the department will re-surface highway 2 through the town this summer.

The island removal was advocated by the St. Albert Safety Committee after

A loud and objectionable bore had been bragging for hours about his achievements: "I'm a self-made man, I molded my own character, I built myself up, I've made it!"

"I think," came a quiet voice from nearby, "you knocked off work too soon."

lights were installed on the highway at Gate avenue. In addition to the safety angle, the people involved in replacing the post on the island every few days will no doubt be glad to see the last of it.

Mrs. Rose Elliott looks on as children model with playground.

In Lamoureux solving the babysitting problem while mothers attend a sewing class is easy. In progress at the same time is a play-school for 3, 4 and 5 year olds under the direction of Mrs. Rose Elliott. Mothers take turns assisting Mrs. Elliott with the 20 youngsters. Instructor of the sewing with knits course is Mrs. Nellie Reader.

An upholstery course is in progress in Bon Accord with Mr. J. Marsi from St. Albert Upholstery Ltd. instructing. Some of the ladies taking the course will instruct classes in their respective communities. Mrs. Velma Lasell and Mrs. Vivian Onushko have just completed a course in basic upholstery for residents of Coronado.

Instructors in Horsehill and Lamoureux have been attending a Bargello workshop in preparation to offering courses this fall in this currently popular type of needlepoint. Workshops for instructors are being set up in other communities within the MD of Sturgeon.

The babysitters course for boys and girls is well underway in Gibbons. Enquiries about the course have been made by some of the senior residents of the community who find it confusing to cope with new types of feeding bottles, diapers etc. when looking after grandchildren. Anyone in-

terested in a "refresher" babysitting course please telephone the office and ask for T. Ruth McCullough and Mrs. Jean Smith, arts and crafts coordinators, Recreation Dept., MD of Sturgeon. Telephone 424-6276 and 256-3321.

Leduc - Edwards Wed On St. Patrick's

By Flo McGinnis

Bonnie Anne Edwards and Denis Leduc were united in an inspiring double ring wedding ceremony conducted by Rev. Father Bedard in the beautiful Roman Catholic Resurrection Church in Edmonton, on March 17, 1973.

The bride is the daughter of Mr. and Mrs. Joseph Edwards of Carvel, Alberta and the groom is the son of Mr. and Mrs. Joseph Leduc of Morinville.

Bridal attendants were: Dianne Ducholte of Edmonton; Cathy Edwards of Carvel, sister of the bride; Donna Kuszycki of Mundare; and the beautiful, petite flower girl Jackie Choma of Edmonton, cousin of the bride. Groomsmen were Ron Devolder, Rene Leduc, brother of the groom, both from Morinville; and Chester Edwards the bride's brother from Carvel. Gerald Leduc

and Charles Edwards ushered the guests.

Appropriate songs were rendered by Mrs. Edna Borynec, aunt of the bride, with Nora Villalisen at the organ.

The bride was radiant in her full length gown of white peau de soie styled with A-line skirt, wrist length sleeves and full train. The bride's chapel veil was held in place with a tiara and she carried a bouquet of orange and white carnations.

For the St. Patrick's Day ceremony the bridal attendants wore floor length gown of emerald green crushed velvet. Flowers adorned their hair and they each carried a nosegay of orange and white carnations.

The mothers of the bride and groom wore identical formal gowns of emerald green crushed velvet complemented with corsages of yellow roses.

A dance and buffet supper were held for some 250 guests at Fulton Place on Edmonton's south side.

Out of town guests in attendance were: Mr. and Mrs. Henry Savard of Prince Rupert, B.C., Natalie Borynec of Calgary, Mr. and Mrs. Andy Pawlyk, and Mr. and Mrs. Ed Shannon, also from Calgary. Mr. and Mrs. Albert Leduc of Pritchard, B.C., Mr. and Mrs. Ben Loiselle and daughter from

Bonnyville.

After a honeymoon trip to Vancouver and Pritchard, B.C., Denis and Bonnie will make their home in Edmonton. Denis will continue his apprenticeship with Quinn's Plumbing and Heating in Morinville and Bonnie will continue for the time being to work for the government at her present job with the Department of the Environ-

St. Emile CWL Report

By Mary Quaghebeur

Nine members attended the St. Emile's CWL March meeting, when spiritual reading was read by Madeline Cornells.

Florence Quaghebeur gave a summary of St. Patrick's bake sale. Winner of St. Patrick's cake was Marion Roulston. The CWL members wish to thank all who supported this function.

A mass will be said April 26, in honor of "Our Lady of Good Counsel." Again this year CWL will purchase the flowers for Easter in church.

Rev. F. Bissonnette played one of the "Truth Tapes" entitled "Who is my Neighbor."

The next CWL meeting will be held April 17 when election of new officers will take place. Florence Quaghebeur was appointed chairman of electors committee along with Mary Kachurowski and Jeanne Barry. April 10 is the deadline to give or send nominations to Rev. F. Bissonnette.

Membership fees are now due, contact Madeline Cornells.

Forcades honoured on Golden Wedding

By Lucienne Montpetit

Mr. and Mrs. Lionel Forcade were the recipients of heartfelt congratulations and best wishes when they were guests of honor on the occasion of their golden wedding anniversary.

The jubilarians reaffirmed their marriage vows of 50 years at a mass celebrated by father Bissonnette on April 1st.

The scriptures were read by their grand-daughter Mrs. Louise Pasay. Father Bissonnette gave a very appropriate homily.

Mr. Forcade was born in Gardner, Mass., in July of 1897. He came to Vegreville with his family in 1906. He is a veteran of the first world war 1914 - 1918 and won Despatch Wrighter at that time. Returning after the war he bought a farm in Vegreville. In April of 1923 he married Alma Duteau. In 1933 the couple sold their farm in Vegreville to come and establish themselves on a farm in Legal where they are still living.

Mrs. Forcade was born in Tilbury, Ontario in 1892. Her family moved west in 1903 to a homestead west of Leduc.

Prior to her marriage Miss Duteau was a professional seamstress and was employed by a tailor by the name of Mr. Sillars. Making acquaintance with Lionel she quit her employment to become Mrs. Forcade.

Their 50 golden years have blessed them with four children Mrs. Bert (Lorette) Craig from Morinville; Leonard of Legal; Ernest and Vincent who passed away. The family now numbers 14 grandchildren, two great grandchildren.

After the impressive ceremony at the church a large gathering of friends and relatives assembled at Leonard's home. Roland Prefontaine acted as master of ceremonies. Leonard presented a toast to his parents and congratulated them on this wonderful occasion, when their many friends wished them many years of continued happiness.

His dad replied with well chosen words saying in conclusion that this half century of married life had known its laughter and its tears and had been years of happiness. Reeve Walter Van de Walle extended his congratulations on behalf of his family and the MD of Sturgeon.

An old friend of the family Mr. Dominique Coulombe recalled many old memories and said it was known to everyone how Mr. Forcade was a veteran and a man who was very active in the community and who devoted much of his time in school affairs, and in establishing the Legal Savings and Credit Union and the Legal Co-op.

Father Bissonnette offered his best wishes and said that Mr. and Mrs. Forcade have been an exemplary couple in the parish. At 80 years young Mrs. Forcade is still alert and looking after her own house.

Songs, dancing, and sing-alongs made for a very lively afternoon for everyone to remember. Some 80 persons enjoyed the delicious buffet supper prepared by their children.

Congratulatory messages were received from Premier Lougheed of Alberta, Rt. Honorable Grant MacEwan, Lt. Governor of Alberta and Prime Minister Pierre Elliott Trudeau.

Mr. and Mrs. Forcade wish to thank everyone for the congratulations, best wishes and gifts, with special thanks to their children for organizing such a memorable day in their honor.

"Not guilty of bigamy," said the judge. "You may go home now." "Thanks, Judge, Which one?"

Mearns News

By Flo McGinnis

On Sunday, March 25, a farewell party was held in the Mearns Rec. Centre to honor Mr. and Mrs. Alvin Altmicks who have been in the community for some 38 years and are now retiring to Edmonton.

Cards were the highlight of the evening, and Mr. Altmicks proved that he is still a very sharp card player by winning the prize for the men in the whist game.

Mr. and Mrs. Altmicks were presented with a gift by the CWL and the community, after which a delicious lunch was served. It was a very enjoyable evening for everyone, and all the good wishes of the community go out to the Altmicks.

Son, Robert and his wife Rose will be moving to the farm to take over the operations.

Friday, April 27 will see the Cabaret being held in the Mearns Recreation Centre beginning at 8:30 p.m. There will be a midnight supper as well, and the number of tickets are limited. For further information, please call Mrs. Kluthe at 256-2312 or 256-2097.

Earl Toanes foursome won third in the fourth event of the Veterans Curling Bonspiel last week. On Mr. Toanes team were Wilf Oliver, Joe Hostyn, and Jack Strawson.

Mr. and Mrs. Cliff Aysan and children, Michael and Michael have been holidaying in Europe.

Congratulations to Mr. and Mrs. Tony Cosmano on the birth of their daughter on April 2, 1973, weight 6 lbs. 11 oz.

Attending the Pythian Sister convention at the Highlander Hotel in Calgary, April 8, 9 and 10 were Mrs. Clara Williams, Mrs. Grace McLean, Mrs. Jessie Miller, Mrs. H. A. McLean and Mrs. Muriel McCue. Mr. McCue attended the Knights of Pythius Convention held at the same time.

Some boys and girls ball teams will have to be cancelled due to a lack of registrations.

The Gibbons hockey banquet will be held Saturday, April 28 at 6:30 p.m. in the community hall. All minor hockey players are free (16 and under). Tickets may be purchased from coaches or rec. board members. Please order early.

Charles Brumfit Marks 100th Birthday At Gibbons

Mrs. Claude Dawson, Mr. Brumfit's daughter Florence, welcomed over 350 people at a reception in the Gibbons hall on Sunday, April 1st in honor of her father Mr. C. Brumfit on his 100th birthday.

Archdeacon Wilson of Edmonton brought good wishes of this diocese. He mentioned Mr. Brumfit's continuous attendance at Edmonton Synod since its inception in 1913.

Mayor Spencer Holmes welcomed the guests to the village of Gibbons and Mr. Lawrence Rye spoke on behalf of the Municipality of Sturgeon where both he and Mr. Brumfit had resided since 1892.

A telegram of congratulations from the Queen and a message from Mr. Trudeau were read by the Chairman, Mr. J. L. Kerns, and messages from Lieutenant-Governor G. MacEwan and Premier Peter Lougheed were presented by Mr. E. Jamison, MLA for the constituency.

Greetings from Messrs. G. Fernley and Ken Gallo-way were presented on behalf of the local seed plant and the Alberta Wheat Pool, of which Mr. Brumfit was a charter member.

Mr. Earl Toane, an old family friend, presented Mr. Brumfit with a gold cross.

Mr. Gordon E. Taylor told of the contributions of pioneers like Mr. Brumfit to the Province of Alberta. He dwelt on the lack of amenities of the early years and stressed the debt owed pioneers for their efforts in opening up and improving the country.

Letters and telegrams were read from Premier of P.E.I. which province is also celebrating its 100th anniversary; Hon. Hugh Hornet, Alberta Minister of Agriculture, Dr. G. Furnell, Deputy Minister of Agriculture and Reverend Scott, Primate of the Anglican Church.

CHARLES BRUMFIT

of Canada. Telegrams from relatives in England and friends from coast-to-coast in Canada were mentioned.

Mr. Brumfit replied to the speeches, thanking the speakers and giving an account of his early days in Alberta and his philosophy of life in the Gibbons district. He mentioned the difficulty of compressing one hundred years of his life into a speech of few minutes.

Celebrating with Mr. Brumfit were 91 relatives and descendants. His son John and daughters Mrs. W. S. Oliver of Gibbons, Mrs. C. I. Dawson of Salmon Arm, Mrs. J. L. Kerns of Edmonton, Mrs. J. P. Plumley of Horse Hills, and Mrs. R. Wearmouth of Gibbons. Besides his daughters and son, there were 19 grandchildren and 37 great-grandchildren present.

Calahoo WI meeting discusses many projects

By Liz McLeod
The March meeting of Calahoo WI was held at Mrs. P. Lischewski's home with 14 members present. A discussion ensued on what to send to the national convention for exchange souvenirs. It was decided to have a pair of moccasins made, decorated with the Alberta rose in bead work and imprinted "Calahoo WI."

The date set for demonstrating at K-days is Tuesday, July 24. Plans were discussed for hooking a rug and raffling it that day.

It is gratifying to note that a fair amount has been gathered for the Menor fund. The total proceeds of a recent catering job were added to it. We have since heard from Mrs. Menor and she and her six children will be so very grateful. Thanks to all who donated.

Folks are reminded of the forthcoming cash bingo and bake sale to be held in the Church basement on April 26 with all proceeds going to cancer research.

President Betty Albrecht presented Mrs. Jack Emma Dalheim with an AWI pin for one year's regular attendance and a houseplant in respect to her recent bereavement in the loss of her father Mr. W. J. Parker. The Calahoo history, the flower show and the tour were topics touched on before Mrs. J. Stephanie Shenfield gave a talk on cultural activities. Stephanie spoke on the Youth Hostel Association of which she is a life member.

The association had its beginning in Germany in 1909 by a young school teacher, Richard Shinnman, who wanted to take his class to the countryside. He used schools at first as night topovers.

The first YHA in Canada was opened near Jasper Park in 1933 and they now number 53. There is no age limit. Cost is \$1 per night and users supply sleeping bags and food.

The government now have erected beautiful hostels for transients and they pay only 5¢ each but we are told some lodgers leave the place in quite a mess.

The whole idea of these hostels is for anyone wishing to go on a camping trip or the like can find shelter, within his budget, as there are facilities to go hiking, camping, fishing, mountain

climbing etc. Anyone wishing more information on youth hostels could contact Mrs. J. J. Shenfield, Box 145, RR #1 Spruce Grove.

The YHA in Edmonton encourages schools to make use of this facility. They need volunteers on the action centre board, and mature people to act as a big sister - a friend, or a house mother. Volunteers can gain a holiday themselves in this way.

Morinville Guides Host 125th City Company

By Flo McGlans
The International Building in Morinville was the scene of the action on Friday, March 30 when the 1st Morinville Girl Guide Company hosted a "Sleep-in" with girls of the 125th Girl Guide Company of Edmonton as their guests.

Visitors welcomed - Golden agers

By Liz McLeod
Twenty-nine members and four visitors, Mr. and Mrs. Charles Seely and Mr. and Mrs. John LaFleur from Onaway enjoyed playing games, visiting and having fun in the Gazebo at the regular meeting of the Calahoo Golden Age Club.

There is no better opportunity for neighbors to get together in this day and age when people travel many miles but never seem to visit each other.

John and Dina Gropp were welcomed home from their most enjoyable trip to Hawaii with other good friends and former neighbors Mr. and Mrs. Oscar Campeau, now residing in the city.

We were sorry Mr. Frank Gawron and Mr. and Mrs. Fred LaBoite missed this enjoyable afternoon due to ill health. Fred and Frank have been hospitalized since and it is hoped they are both well now.

The club also welcomed Jim and Theda Verbeek after a recent vacation in California, Oregon and Washington. Members are asked to make their wishes known to

The roll call was "Penalties for Friendship" and a joke, which brought many laughs. Addie Thatcher won the door prize, brought by Elsa Lischewski.

The April 24 meeting will be held at Mrs. W. Christen's home with the subject "Cultural Activities" and the roll call "Well how something originated."

Visitors are always welcome.

Arriving at the International Bldg. at 7 p.m., there was much controversy about who was going to sleep where on the floor, but then the girls settled down to making pizzas and cakes for their "midnight snack". After lunch, there were games, songs, visiting, and "ghost stories." The stories went on till the wee hours of the morning, with everyone trying to outdo everyone else.

On Saturday the Morinville girls took their guests on a hike around town and even introduced them to May-roy Stapleton. For their supper, the girls cooked chili and to top it off they were treated to a fine dessert kindly donated by the IGA and Super A groceries of Morinville.

When it was time to say goodbye there were some very tired girls who left for home eagerly talking about the next sleep-in to be held next month.

Supervising leaders for the event were Mrs. E. O. Malley of Edmonton, Mrs. Sandy Lambert, and Mrs. Gwen Knoll of Morinville. The district commissioner, Mrs. Keith dropped in and had coffee and presented Mrs. O. Malley with a keepsake from the Morinville Girl Guide Company.

Laurent Coulombe with regard to the tours being planned for senior citizens.

Several won or shared the pot at bingo before an enjoyable lunch hour. The next meeting will be held on April 11 in the Gazebo at 1 p.m. Visitors are always welcome.

Morinville Savings and Credit Union board of directors and officers. Seated (L to R) Vince Curtis, Emile Morin, Dave Bokenfohr (Pres.), J. L. Rousseau (vice pres.), Maurice Perras (mgr.), standing (L to R) J. Andre Sabourin, Bernice Crawchuk, Ralph Gaetz, Maurice Rousseau, Norm Meunier, Henry Chalfoux, and not available for photo - Clarence Steffes. Mr. L. J. Calder was president of the board from 1965 to 1969. Winners of the draw for Share Savings Certificates, at the Grand Opening of the Morinville Savings and Credit Union held March 31 were: \$25 - Doreen Willis of Morinville; \$15 - Paul Hogue of Edmonton; \$10 - Jeanette Garneau of Morinville.

St. John Brigade attends two M.D. Sport Events

Detachments of the Sturgeon Combined Division, the St. John Ambulance Brigade, have in the past two weeks attended two sporting events as first-aiders. The first one was the basketball tournament at the Bon Accord School, where no injuries occurred. The second event was the Canadian Motorcycle Association Moto-Cross, 16 miles east of Edmonton. Moto-Cross is quite a hazardous sport as many of the riders found out, several of them being injured. Thanks to the well

equipped ambulance of Industrial Nursing Services of Gibbons, and the expertise of Divisional Officer Jim Macdonald, president of Industrial Nursing Services, the young riders were soon back in the action.

To raise money for the brigade, there is to be a rummage sale on Saturday, May 19 at Bon Accord community hall. For pickup of your rummage, phone Nigel Mansfield 298-3625, or contact any of the brigade members.

HOME NURSING COURSE

The brigade is sponsoring a Home Nursing Course, open to all men and women. It will cover all aspects of home nursing with emphasis on nutrition, home administration of medicines, long term care at home, home nursing in times of an emergency.

Beginning Monday, April 30, classes will be held Mondays, Tuesdays and Thursdays from 9:30 to 11:30 a.m. at the community hall in Bon Accord. Free babysitting service in the hall will be provided.

Fees for the three-week course are \$6 for adults and \$3.50 for brigade members. For more information phone Divisional Nurse Doreen Boyse 298-3659 or any brigade member.

Calahoo boy wins medal

By Liz McLeod
Lorne LaBonte from Calahoo who went into the Provincial finals in school boy wrestling from Camilla school on March 24, won a silver medal, gaining second place in the 60 lb. class. Lorne is the son of Edward (LaMarr) and Bernice LaBonte. The community is

proud of Lorne's achievement as they are of all the boys who go into the finals.

Norman Van Brabant received a bronze medal in his class and Dwayne Granger got fourth in the 123 lb. class.

Murray Carly might have had the gold medal as he won over boys almost half again his weight. But he was disqualified because he was lighter in weight than the boys he wrestled. Seems this would have made sense if Murray were the heaviest. . . . Such are the rules!

Frontier Daze Association is reminding everyone of the tickets that are now available on - the big draw for that Trip for Two to Honolulu. If you or your group would like to try for the \$100 that can be won for selling the most tickets please, contact Claudette Turgeon. Don't forget that June 23 and 24 is not very far away!

On Saturday, April 14 the guides will be holding a bake sale from 1 - 4 p.m. in the Morinville Super A. Get out and take advantage of all that home baking and support the girls at the same time.

The organization of Minor League Baseball is going very slowly due to the fact that coaches and umpires seem to be non-existent this year. If anything at all is to be done this year, then it must be done now! Do you want your boys to be involved with baseball? If so, please help by calling Ed Nettrass at 256-3033 (days) 256-3372 (evenings) or call Marv Shepherd at 256-3407

The Christian Women report that having chosen "Christian Marriage" as the theme of study for the year they initiated a contest for all students in Catholic schools in the diocese. The contest consists of making posters on "Family Life" for elementary students; and compiling booklets illustrating "The Meaning of Christian Marriage and Family Life" for the Jr. High students.

Winners from the Morinville group were Section 1 - (French) Shirley Himeschoot, Lynn Teller and Real Aquin, (English) Debra Brennes and Eileen Hittinger, Section 11 - (French) Lucie Leduc and Grade 4 classroom; (English) Heather Miller and Claudette Rios.

pel. Section 111 - (French) Rita Riopel and L'ne Aquin; (English) Yvonne Kieseer and Michelle Carignan.

Cash prizes were presented by the Christian Women. The first prize winner of each section had to have their art work sent on to St. Paul where a top winner from each section within the diocese will be chosen. We all wish our Morinville artists the best of luck in the finals.

Don't forget the pre-Easter Whist Drive and Bingo that the senior citizens have planned for Friday, the 13th. Another big evening of cards, card bingo, and their famous lunch has to be organized for the 14th of April.

Also the only senior citizen with a birthday this week is John J. Bokenfor who will celebrate on April 15.

Morinville's Minor hockey banquet will be held in the Rec Centre on Wednesday, April 18 beginning at 6:30 p.m. The trophies will be presented at this time, and one of the guest speakers will be Ernie Jamieson M.L.A. There will be a fee of \$1 per child and \$1.50 per adult with tickets available from any of the coaches.

On Tuesday the 10th, Jo Calder left for a short holiday in England where she will be visiting with her daughter and son-in-law, Barbara and Martin Partridge. That latest "vacation" announcement just caught Jo in time so she was glad to hear that Barb would be meeting her in London.

A general meeting, called by the Sports Association will be held on Wednesday, May 9 at 8:30 p.m. in the Rec Centre. The purpose of this meeting will be to elect five additional directors in order to carry on the increased activities of the association. The public is strongly urged to attend this meeting. Don't forget that "Progress starts with the people."

Another successful Parish supper was carried off well on the first with about 600 persons enjoying the meal and entertainment. Out of town special guests were Mr. and Mrs. Dan Hollands MP for Pembina. Mr. Hollands has been instrumental in obtaining the LIP program which is now in progress in Morinville. It was a pleasure to have Mr. Hollands take a detailed tour of

the parish church, and be able to show him the progress which has been made. A big part of the evening was enjoyed by all those who participated in the bingo, and the two big winners were: Denise Chevalier and Vivian Houle who each won \$100. The door prize was won by Mr. Delvert, one of the out of town participants.

Sorry to hear that Mary Flannigan was taken to hospital last week suffering from pneumonia. Get well wishes go out to Mary from the Mother's Local, guides and brownies, and Frontier Daze along with all the rest of us. Hurry home.

The Sportsman's Dinner held on April 7 was reported as a very enjoyable evening by everyone. There were approximately 200 guests who sat down to the dinner, and a good crowd at the dance. Winners of the prize draws were: Jane Vorvnyk and Morris Logan; Carl Miris; Morinville Super A; Martin McRae; Richard Rogers; Andy Wynmarch; Ambrose Ricard; the Ladies Curling Club; Legal Motors and Lloyd Brady. The final draw was split between William Orbeck and F.W. Septimo. So for another year the Sportsman's Dinner is over, and this year the proceeds are going towards artificial ice for Morinville.

Congratulations to Robert St. Amant who won a gold medal in vaulting at the provincial gymnastics tournament held last weekend.

Expressions of sympathy are extended to the Gagne families upon their loss of a sister-in-law, Mrs. Jos Gagne from Amos, Abitibi, P.Q.

Everyone is welcome to attend the annual CWL

Morinville Guiders' Report

By Flo McGinnis

The Morinville Guiders (Leaders) have had two meetings to discuss plans and projects for the year. The first meeting held at the home of Mrs. Owen Knoll was a real beginning with all seven leaders and the Commissioner present, and the second meeting held at the home of Mrs. Barbara Tailleux went very bit as well. Mrs. Knoll, a new volunteer wanting to be a Tawny Owl was welcomed to the group.

Some of the items coming under discussion at the meetings were: SAG, about having a coffee urn donated to the guides and brownies; asking the Mother's Local to donate a second flag to the brownies; and fly-ups. The final plans for the April 10 fly-up were made and it was decided that another fly-up will be held in May. With three girls moving up in April and another three girls moving up in May it will make quite a difference to the two packs.

Mrs. Knoll has reported on the convention that she and Commissioner Kelthattened in Grande Prairie, March 26 to 29, bringing some very good ideas from other guiders at the convention.

Most of the guiders have sent for, and will be writing Part 1 of the Maple Leaf course which will help fur-

ther their knowledge and understanding of guiding and camping. This past weekend, April 6, 7 and 8, guiders attended a training course in Edmonton and brought back valuable information to help in their work with the girls. So you see guiders do not just sit in one and a half hours a week with the girls. When they ask for help from others, please remember (especially you mothers) that they have put a lot of time and effort into the welfare of 'your girls.'

A special thanks is being sent out to one of the mothers who has helped out in everything the girls have put on. She has used her car to take girls to Legal, collected newspapers for the guiders, and has never turned them down for any-

thing they ask. More mothers like Mrs. Annette Lafleur would be welcome.

The next meeting of the guiders will be held at the home of Mrs. Andy Lambert on the morning of Tuesday, May 1st.

First Wife: "Hoe do you get money out of your husband?"

Second Wife: "Oh, I disagree with him and say I'm going home to mother, and he immediately hands me the air fare."

NAMAO NEWS

Sympathy of the district
goes to Mrs. William Fran-
sen in the loss of her hus-
band on Tuesday, April 3.

Mr. and Mrs. Howard Sam-
mis have been enjoying a
visit from their daughter
Shirley Ann and her hus-
band, Frank Collison from
Chilliwack, B.C.

Mr. and Mrs. Hugh Cro-
zier are home from Pentic-
ton, B.C. where they wal-
ched sons Lee and Leslie
play in playoff games for the
Penticton Broncos. They
won the quarter finals
against Kelowna and won the
semi-final series, against
Kamloops. They are presen-
tly playing a seven game
series against Chilliwack
for the junior B.C. title.
Winners will move into Al-
berta to play the Alberta
junior champions, either
Red Deer or Calgary.

Guides Conference Elects Officers

1973 is the Jubilee of Alberta Guiding and many special events and camps are being planned throughout the province. St. Albert plans include sending a girl to Sweden in July for an international guiding event.

At the 44th annual meeting and conference of the Girl Guides of Canada, Alberta Council, held in Grande Prairie on March 28 to 29, 1973, three (3) new officers were elected to the Alberta Council: Mrs. L. S. Hind, of Medicine Hat and Mrs. J. E. Weitzer of Grande Prairie for a period of three (3) years, and Dr. Peggy Godkin of Innisfail for one year.

Attending from Tamarac Area was Miss Pauline Vaugeois, St. Albert, deputy area commissioner; from Yellowhead division, Mrs.

Teresa Malden of Stony Plain; from Gibbons District, Mrs. Edna Noel and from Montville District were Mrs. Lena Keith and Mrs. Owen Knoll.

Mrs. K. P. Hayes, the Deputy Chief Commissioner from Vancouver attended the conference as a guest and

briefed everyone on the business of the World Association of Girl Guides and Girl Scouts.

Miss Vaugeois accepted the Singing Competition Award on behalf of the Barrhead Brownies who have won this competition for the second consecutive year.

Cultural committee will bridge gap

To many people the term 'culture' evokes the picture of government handouts at the expense of general taxpayers. It is synonymous with promotion of ethno-cultural groups to the exclusion of all else. The federal and provincial governments maintain that they view culture as being something more. A definition that they have offered goes: Culture is the sun and substance of our social expressions, reaching into the past, influencing our lives today, and pre-shaping the lives of our citizens of tomorrow.

The St. Albert Cultural Co-ordinating Committee,

also referred to as "The Three Cees", was formed to bridge the information gap between the governments and the people in this area. They propose to serve as an advisory board to the community on such expertise and funds that the departments of governments make available under their respective multi-cultural programs. In turn they will provide a feed back to the government of the views of the community. The people in the "Three Cees" are working for all organizations, groups and individuals in St. Albert. The objectives of the committee have been stated on a broad enough basis to include a wide variety of activities.

A meeting will be held in the Lecture Room, Public Library, April 17 - 8 p.m. We welcome members, visitors, and all ideas. For information call Mrs. Florence LeFebvre 459-7030.

Story Hour Ends This Week

The popular pre-school Storyhours at the St. Albert Public Library will be held for the last time this coming Friday morning and Monday afternoon. The two weekly sessions have drawn over 100 children a week to enjoy stories, games, songs and puppets. The final spring sessions this week will include lemonade and cookies and a chance for everyone to draw a picture of his favorite story. After Easter there will be a further announcement about a new series of storyhours. Watch the Gazette for details.

Penny Arcade Opens On Perron Street

The Penny Arcade which opened 10 days ago on Perron Street is 'an amusement centre for all ages' said owner Doug Phillips. The arcade features 14 different games of skill and Doug has plans to add new ones as he goes along. Costs range from 5¢ to 25¢ per game.

There are novelties and small gift items for sale, along with snacks, chips, etcetera. Doug's wife Helen assists in the arcade for several hours each day.

Mr. Phillips also owns and operates Phillips Messenger Service on a contract basis. Plus he drives a school bus, so his working day is well filled. He feels that it is important to have an adult on duty at the Arcade and works there evenings. On the weekend he reports a fairly good number

of adults enjoyed trying out the games over several hours each evening.

"But I have been particularly impressed with the good behaviour of the kids" said Mr. Phillips - "they don't leave litter around, there hasn't been any rowdiness or bad language and they are friendly and well mannered. I am, however, learning a whole new slang vocabulary from them" he concluded.

Before going into the business Doug visited many penny arcades around Edmonton - in Beverly, across from Vic Composite, Jasper Place, Funland and the one across from Strathcona High. For St. Albert he planned a family-oriented amusement centre, and he said that indications are it will do well.

Doug and Helen Phillips

have lived in St. Albert for nine years and they have a daughter Shelley, 13 years and two sons, Garrett 11 and Johnny 5, all of whom attend Vital Grandin School. Previous to going into business for himself Doug worked as a television sales representative.

girl joins authors

Jeananne Kathol a grade 9 student at Father Jan School must be one of St. Albert's newest and youngest authors. Jeananne wrote and illustrated the winning entry in the St. Albert Public Library's Story Contest in celebration of Young Canada's Book Week last fall. Now, in honour of a special Canadian book exhibit at the library next week, the library is proud to announce the publication of Jeananne's book, Harvey's Hiccups.

Jeananne's story is a colourful instructional tale involving shapes and sizes. In it poor Harvey finds himself violently changing shape each time he hiccups. Jeananne wrote and illustrated the 29-page story herself. Copies of Harvey's Hiccups will be available at the library next week in conjunction with a special exhibit honouring the best designed Canadian books of 1972. The library is proud to be able to publish Jeananne's book at this time.
